TOURISM CHECK! What to Explore

THE SHORE

BEACH

- ✓ One of the developed areas for tourism activities is the Darapidap Beach
- ✓ Powdery fine black/gray sand
- ✓ Strong waves ideal for surfing and skimboarding

BAYWALK

- ✓ 900 m long and is planned to stretch that will cover all 8 coastal barangays
- ✓ Perfect for strolling, walking, jogging, biking, and other leisure activities

Fun Fact: Along the baywalk, there are 40 rental Bahay Kubos/Cottages that comes in different themes!

Candon is a coastal component
City in the province of Ilocos Sur.

With its 16 Km shoreline and bountiful farmland, Candon has diverse natural resources.

The City has 8 coastal barangays in which several tourist attractions can be found while some are under the development and planning process.

TOURISM CHECK! Where to Stay

COASTAL ACCOMMODATIONS

✓ **Candon Beach Resort** - DOT Accredited ;
Resort 

✓ **MJ Cottages and Snack Bar** - DOT
Accredited ; Mabuhay Accommodation 

✓ **TNT and Lodging Inn** - DOT Accredited ;
Mabuhay Accommodation 

DIVE INTO THE MAGIC

MERMAID'S LAGOON

- ✓ It is believed that the lagoon used to be a hangout spot of mermaids
- ✓ Sharp rock formations surround the lagoon
- ✓ Amazing view of the sunset
- ✓ It has a diving area for adventurers

PLAZA / PARK

✓ **DARAPIDAP SEASIDE PLAZA**

Currently under development wherein the LGU plans to include an aquarium or an ocean park as an additional tourist attraction.

TUMBLE WEED PARK

- ✓ This relaxing spot features a vast number of tumble weed plants. The Local name of tumble weed is "taray-taray"

Fun fact: Taray means "to run" in Ilocano, and it is called taray-taray due to the plant's characteristic to roll brought by the force of the wind that makes it seem like running.

BEACONS OF LIGHT

OLD CANDON LIGHTHOUSE

- ✓ It used to draw the community together and continues to serve as reference for fishermen during blackouts
- ✓ The Old Candon Lighthouse serves as a reminder of the glory of Ilocos Sur

NEW CANDON LIGHTHOUSE

- ✓ Also known by the Candonians as "Lighthouse 2"
- ✓ With its height and view of the sea, sunrise, and sunset, It is a famous photoshoot location for various events

ONE WITH NATURE

SHRIMP HATCHERY

- ✓ A mix of laboratory and farm where fish and shellfish are spawned, hatched, and taken care of
- ✓ The shrimp hatchery is open for tourists who wants to observe the process of aquaculture

PAYPAYAD HANGING BRIDGE

- ✓ This Hanging Bridge allows the tourists to peacefully enjoy the view of the mangroves.
- ✓ The bridge is near a residential area so it is a great opportunity for the tourists to immerse themselves in the coastal life.

ENVIRONMENTAL AWARENESS TIME

Mangroves are key weapons in the fight against climate change!

It has the ability to store a vast amount of carbon and support sustainable coastal and marine ecosystems.

Unfortunately, they are under threat worldwide.

The abundance of Mangroves in the coastal areas of Candon must be conserved for the benefit of all

MANGROVE AVENUE

- ✓ Hidden paradise where the tourists can ride a raft while exploring the mangroves.

FLOATING COTTAGES

- ✓ Allow tourists to eat or enjoy a picnic while relaxing with the view of the mangroves.

SALT MAKING (CANDON WAY)

Candon's salt making industry is currently on the verge of existence as it is less popular compared to their other sources of livelihood

Let's work together to preserve Candon's salt making and raise awareness on this cultural identity
