TOURISM DEVELOPMENT

On July 23, 2018

REPUBLIC ACT NO. 11407

was passed into law,

declaring the Candon City Ecotourism Zone located in barangay Palacapac, barangay San Andres, Barangay Cubcubbuot, and barangay Amguid in the city of Candon, province of Ilocos Sur a tourist destination, providing for its development and appropriating funds therefor.

In the future, it is hoped that more interventions will be developed to help the City Government, more products and more exciting activities will be provided for the visitors in the park.

This park is a haven for biodiversity and a great place for visitors to enjoy the best of nature. Several tourist attractions can be found in the park which are classified in:

ATTRACTIONS

ECO-PARK HALL

This paradise is an eco-friendly park that offers a sanctuary for flora and fauna and a place for nature recreation. Upon entering, the Eco-Tourism Park will greet you with a cluster of a traditional and modern two-story building with several spacious areas perfect for small-scale events.

ENCHANTED GARDEN

The Enchanted Garden is designed for tranquility and quiet contemplation. It houses the Peacock-shaped Garden and the Snow White and the Seven Dwarfs Garden filled with vibrant colors that complements the lush green mountains.

BAMBOO PLANTATION

Indulge in an oasis of greenery in the Eco-Trail filled with bamboos and other tree species. Appreciate Mother Nature by slowing your footsteps and paying attention to its wondrous sights and sounds. Breathe in the crisp fresh air while captivated by the amazingly wide variety of plants, animals and insect life as you trek along the trails.

BAG-O TRIBE HOUSES

Another interesting attraction are the Bag-O Tribe indigenous houses that depicts the native culture of the previous owners of the Eco-Tourism Park.

FARM ANIMALS

Enjoy this educational opportunity while creating memories to last for a lifetime. Learn how to safely interact with different farm animals and have a chance to feed them.
